

How to Apply: Please drop off your resume in person at 24309 TWP 510, Beaumont, Alberta)

Position 1: Garden Center/Nursery Sales Associate (Seasonal)

Location: Cheyenne Tree Farms, Beaumont, Alberta

Season Duration: May – End of October

Join the Cheyenne Tree Farms team as a Garden Center/Nursery Sales Associate! In this customer-facing role, you'll guide customers in selecting their ideal plants, sharing your knowledge and passion for horticulture. Key responsibilities include assisting customers, outdoor tasks like pruning, weeding, watering, and loading/unloading trucks. This position requires strong communication skills, physical stamina (ability to lift up to 25kg), and a willingness to learn about plants. Prior experience in retail or horticulture is beneficial but not required. If you're enthusiastic, personable, and love working outdoors, apply today to help our customers create beautiful gardens!

Position 2: Tree Nursery Production Worker (Seasonal)

Location: Cheyenne Tree Farms, Beaumont, Alberta

Season Duration: April – End of October

Cheyenne Tree Farms is hiring energetic Tree Nursery Production Workers to join us for the season! This outdoor role involves hands-on tasks including pruning, weeding, watering, planting, and maintaining our diverse tree nursery stock. You'll also be loading and unloading trucks with trees and shrubs, and performing physical tasks that require lifting up to 25kg. We seek individuals who are physically fit, comfortable with manual labor, and enjoy working in a dynamic, outdoor environment. While experience in horticulture or landscaping is a plus, it is not mandatory. Be part of our team and contribute to our growing nursery—apply now!

Position 3: Production Member & Delivery Driver (Seasonal)

Location: Cheyenne Tree Farms, Beaumont, Alberta

Season Duration: April – End of October

Cheyenne Tree Farms is looking for a motivated and physically fit individual to join our team as a Seasonal Production Member & Delivery Driver. This role combines nursery work with delivery responsibilities, driving 3- and 5-ton trucks to transport trees and materials. Duties include pruning, weeding, watering, planting, and loading/unloading trucks with trees and shrubs. This role requires comfort driving trucks and trailers, lifting up to 25kg, and working outdoors in various conditions. A valid driver's license and a 3-year clean driver abstract are required. Prior horticulture or landscaping experience is helpful but not essential. Join us this fall and experience a rewarding outdoor work environment—apply in person today!
