

WE ARE LOOKING FOR

LANDSCAPE DESIGNER

LANDSCAPE SALES/ ESTIMATOR

We are looking for dynamic people to join our team on an **as needed basis** to bring fresh ideas to our projects!

Landscape Designer:

- Assist with designing visually stunning and functional landscapes tailored to our clients needs
- Have at least 5 years of experience in landscape design
- Proficient in design software
- Strong creativity and knowledge of current design trends and materials
- Great communication and time management skills

Landscape Sales/Estimator:

- Provide accurate cost estimates for landscape construction and maintenance projects, balancing budget with design elements
- Proven experience in landscape estimating
- Detail oriented with a strong understanding of materials, labour, margins and cost analysis
- Excellent communication skills for client interactions and team collaborations
- Sales experience both generating new and following up on leads we receive

WHY JOIN US?

As a small, expanding company, we are committed to building a strong team for the long term. Here, you'll have the flexibility to work as needed, contribute to exciting projects, and grow with us as we continue to establish our presence in Calgary's landscape industry.
